¹ Sea Gull Village (formerly Global Village) is a recently acquired off-campus housing option for students. In the past, SU contracted with the owner of this facility to provide housing and billed the fee on student accounts, but did not have any ownership interest. SU is increasing the fee that has been charged in the past for this facility to fund property upgrades. Note: SU did not formally contract with this property for FY22, but the \$7,500 rate listed for FY22 is what we had projected charging if we had contracted.

² The triple room is significantly larger than the double room and has a private bathroom. The rate for these rooms is increasing to recognize the added benefits this living arrangement provides relative to the price of a double occupancy room.
